POSSE KILLED TWO OUTLAWS.

Two Others Captured and
Another is Being
Pursued.

OTHERS ARE NOT KNOWN.

The Two Dead Men Are Not Ident-
tified and Others Are
Silent.

Muskogee, I. T. Sept. 25.—Dep-
uty United States Marshal Funk
and posse killed two outlaws, whose
names are unknown, at Henrietta af-
ter a desperate fight, and captured
two others. One of the captured
men is "Jim" Holbrook, member of
Bert Casey's band. Both men re-
fused to divulge the names of men
who were killed. There were five
men in the gang and officers sur-
rounded them. In the fight that
followed one outlaw escaped. Offi-
cers are pursuing him near Eufaula.
"Jim" Holbrook is the only one
of the men who is known. He has
been hunted many times and wound-
ed, but never captured. He is a
confederate of "Sam" Baler, who
was shot at Checotah by Mr. Jones.
He was a member of the Brooks
faction, three of whom were killed
at Spokogee Monday.

Holbrook and the other captured
man will be placed in jail here.

Cook for Surveyor.

N. V. Cook, formerly county
surveyor of this county is now a
candidate for surveyor in one of the
new counties of Oklahoma. If the
people are aware of his ability there
will be no doubt of his election.
He was one of the most competent
and popular county officers ever
elected here. During his four
year's service Neosho county expen-
ded nearly \$100,000 in levying the
Neosho river, all of which was done
upon plans made by him and under
his supervision, demonstrating his
efficiency as a civil engineer. He
is the best surveyor our county
has ever had and we wish him suc-
cess in the new country.—Erie Sen-
tinel.

THE GOVERNOR IS DEOUNCED

Democrats and Populists
of Custer and Blaine
County.

ON THE MIXED SCHOOLS.

Executive is Quoted as Favoring
Them and Has Two In
His County.

Geary, O. T., Sept. 25.—The
democrats and populists of Blaine
and Custer counties met here today
to nominate a candidate for the
Ninth council district. F. N. Sal-
per, a prominent business man of
Arapahoe, who has a wide acquaint-
ance in the two counties, was nomi-
nated by acclamation.

Never in the history of Blaine
county was there such a feeling of
supreme confidence in the ability
of the combined anti-republican
forces to overcome the heretofore
republican majorities. The con-
vention today put itself on record
as opposing mixed schools (there
are two mixed schools in Blaine
county at present) in forcible lan-
guage, and adopted the following
resolution:

"We are opposed to mixed
schools, and denounce the present
governor of the territory, who is a
resident of this district, for his ex-
pressions on this subject, wherein
he said 'the separate school law is a
disgrace upon our statutes and will
not stand the test of the courts.'"

For many years the negroes have
dominated the politics of this county
and the people, irrespective of
party, are thoroughly disgusted
with the white republicans who
cater to them. Every indication
points to the election of the entire
democratic ticket.

The council convention today
adopted the following resolution
as being expressive of the senti-
ments of the white people of the
ninth district:

"We believe that the people of
Oklahoma are materially opposed
to the mixing of the African and
Caucasian races in any manner,
therefore we are in favor of legis-
lation that will compel the rail-
roads of Oklahoma to provide sep-
arate coaches and waiting rooms
for the accommodation of the two
races."
